The style is reminiscent of Victorian engravings, with gothic arches, Victorian fashion, and eerie settings. The book can be read as a critique of Victorian and Edwardian propriety, exposing underlying fears of mortality. It also comments on the absurdity of certain social customs and the superficial veneer of civility.

Humor and Irony The rhyming, playful language contrasts sharply with the grim content, creating an ironic tone. The humor often derives from the absurdity of the children's fates and the deadpan illustrations. Gorey's wit transforms potentially grim material into a form of dark comedy that appeals to adult sensibilities.
